The Honorable Kay Granger

I am requesting funding for the **University of Texas at Dallas' Center for Wind Energy** in fiscal year 2023.

The entity to receive funding for this project is the University of Texas at Dallas, located at 800 W. Campbell Road, Richardson TX 75080.

The funding would be used on laboratory equipment and renovations of critical space for a university center focused on wind energy research, education and technology development. The Center for Wind Energy will bring together university, civic, and industry partners to create and test new technologies to realize the potential of wind to support the energy needs of the nation. The Center will be located on the Richardson campus of the University of Texas at Dallas (UTD) within the same building as the Boundary Layer and Subsonic Wind Tunnel.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
